Education

College / University _____ Dates attended / from/to _____ 1st Degree _____ Date Awarded _____ Major _____ GPA _____

College / University _____ Dates attended / from/to _____ 2nd Degree _____ Date Awarded _____ Major _____ GPA _____

GRE total* _____ } Verbal _____ Qualitative _____ Analytical _____ TOEFL _____ OPT** _____ TSE** _____

* The GRE is required for any non ABET (American Board of Engineering Technology) accredited school.
** **A passing grade in either the TSE (50) or OPT (250) is REQUIRED to qualify for a teaching assistantship position.** The TSE can be taken in any country along with the TOEFL and GRE. The OPT test can be taken only after arrival at Wright State.

Areas of Teaching Interest

All EE teaching assistants are expected to teach a number of undergraduate EE labs. Based on your level of competence, specify your interest in teaching each of the following lab areas in order of preference. (**1-highest, 4-lowest**)

Control Systems O
Digital Signal Processing O
Electronics O
VLSI O

Notes

1. In the event the department determines that you are not prepared to teach a lab in the areas in which you have indicated interest, the department will require you to take background courses in order to prepare you to teach the lab.
2. EE Department assistantships are awarded only to full-time electrical engineering majors.
3. Teaching assistants are required to select the thesis option.
